Quality and functionality make a better impression – BLANCO Gastronorm containers

With its extensive line of Gastronorm containers, BLANCO has a solution for every imaginable task in the daily operation of large kitchens. With over 200 different models, you're certain to find the right version for your needs.

The revolutionary idea

The Gastronorm sealing lid GDD. Thanks to the form fitting seal, the connection between the CNS lid and the silicone seal is permanent. The seal remains on the lid and doesn't fall into the soup.

"Made in Germany" quality

For an extra-long service life in extra-tough everyday kitchen use: Over 50 years of experience in the manufacturing of GN containers vouch for BLANCO's excellent quality.

The standard for the food service industry
The proven basic model of CNS.

Get a handle on it
U-handles for optimum handling.

Easy to see
The models of transparent polycarbonate.

For healthy cooking
Perforated for gentle steaming and cooking.

Crispy and crunchy
Granite-enamelled for roasting and baking.

A clever combination: The ready-to-use Gastronorm sets for your combination steamer.

The 3 Gastronorm sets for your combination steamers with containers, trays and grates in the Gastronorm format offer you the perfect basic GN equipment for nearly all combination steamer sizes – at an especially advantageous set price.

High and dry

Insert bases for draining of washed food.

Come out big

Small containers are brought up to the 1/1 size with crossbars.

Easily inserted

Using grates, containers outside the Gastronorm standard can also be transported.

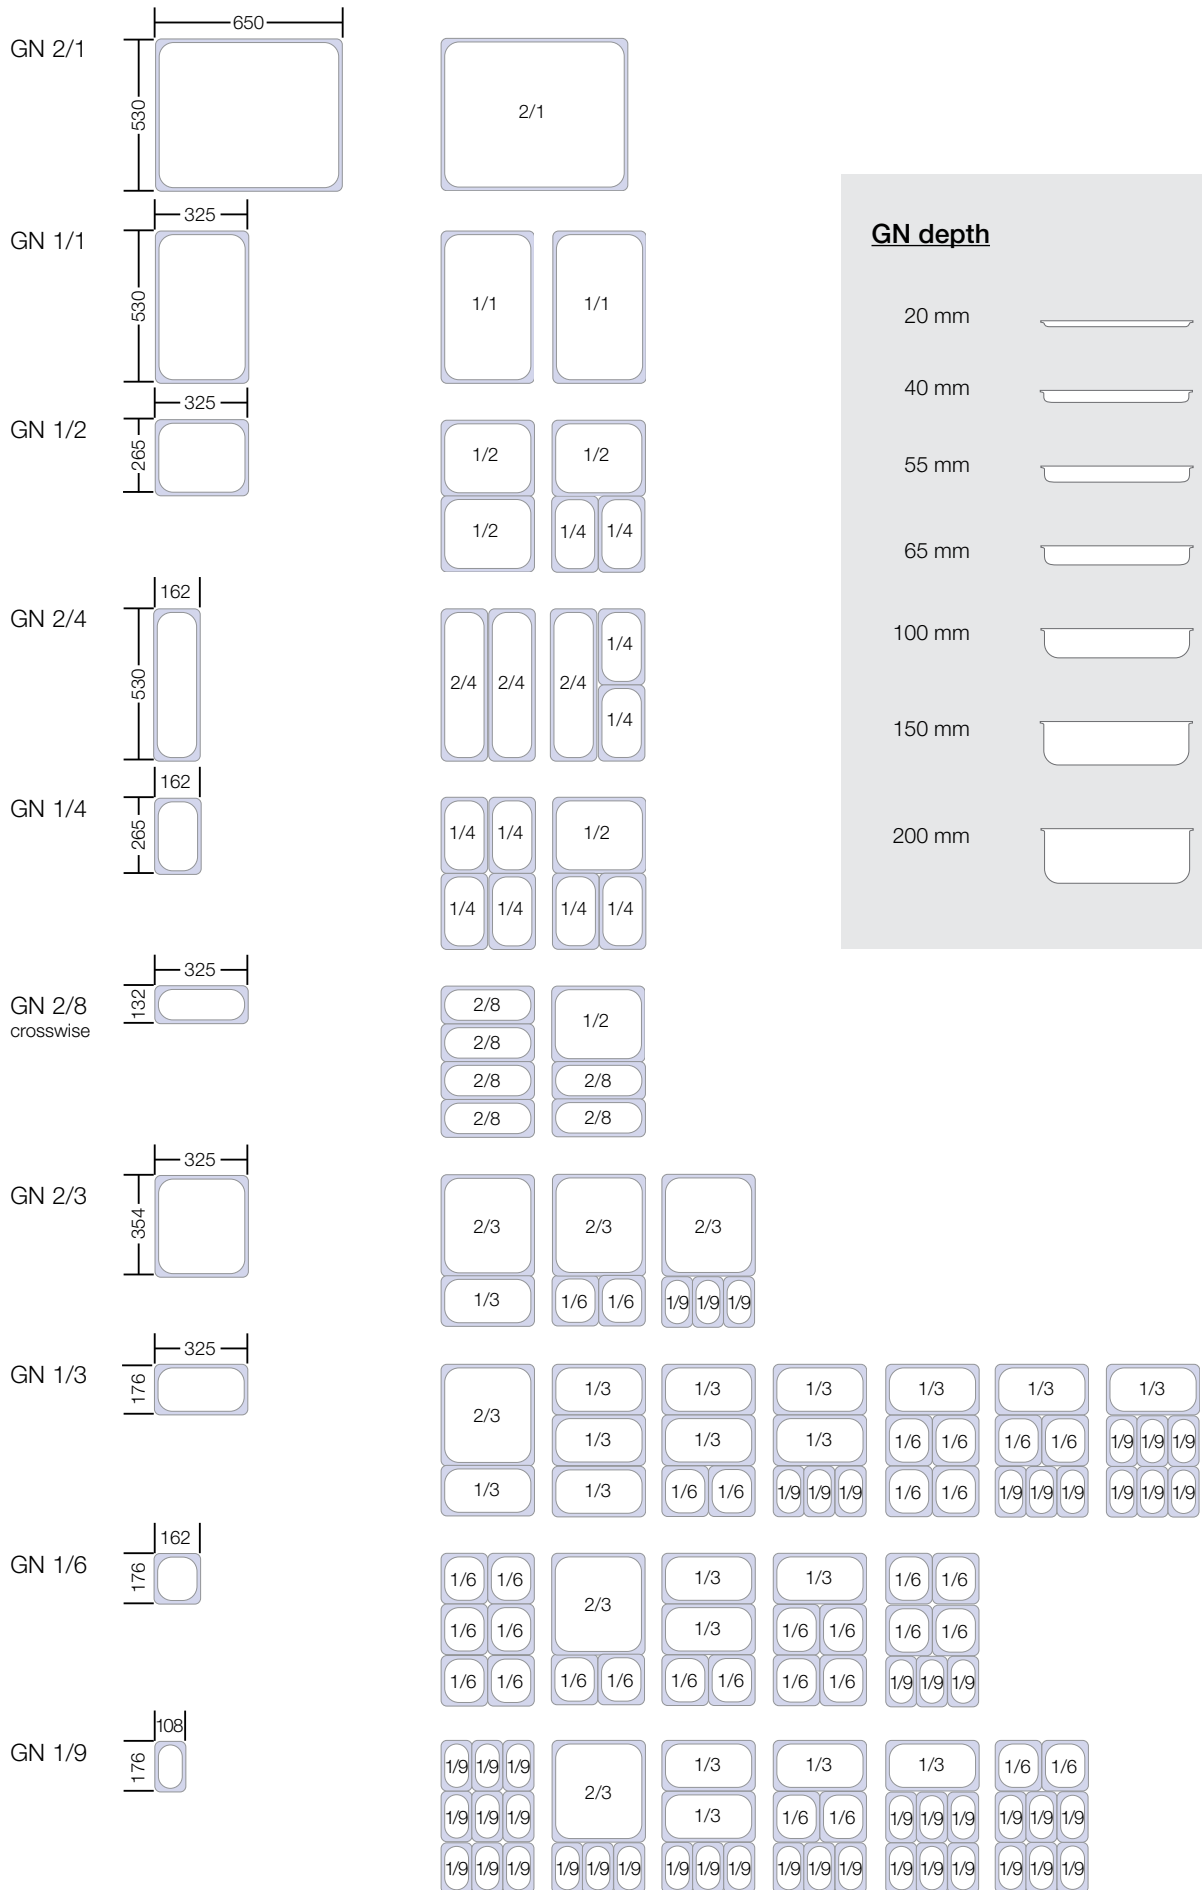

**Unmistakeable:
BLANCO Gastronorm
containers with your
logo or company name.**

- For all stainless-steel BLANCO Gastronorm containers and lids.
- Already from 1 piece.
- Individual text (e.g. company name) or logo according to your specifications.
- Easy to read, high-quality laser marking.
- Permanent and dishwasher-safe.

Price on request.

Container sizes and possible combinations

All Gastronorm containers comply with the European standard EN 631

Gastronorm containers, stainless steel
